The major function of Rolling Thunder®, Inc. is to publicize POW-MIA issues: To educate the public that many American prisoners of war were left behind after all previous wars and to help correct the past and to protect future veterans from being left behind should they become prisoners of war-missing in action.. We are committed to helping American veterans from all wars!

It is through your help that we are able to work toward these objectives. The donations that we receive, either in dollars, goods or services go toward education of the POW/MIA issue, helping veterans with hospital visits, giving a helping hand to those that the system has forgotten or by sending care packages to our troops overseas.

We thank you for your generosity.
